To whom may concern

Aeon Astron Europe B.V. hereby announces the following issues, please take a serious look.

1. New Model No. 830621 launch with special offer

We are looking forward to further developing ologen[®] to meet the ophthalmic demand. After sometime in the market, we gather response from the market which surgeons are asking a product in between Model No. 830601 and 862051, a new specified ologen[®] Model No. 830621 is then supplied. You may like to place first order for market test and you will get one free **Model No. 830621** if you buy two. Please be noted this offer is valid until 30th June, 2010.

2. Model No. 830661, 830681, 830691 Termination

Due to the little demand on Model No. 830661, 830681, and 830691 for glaucoma application, we will terminate these three products immediately. We also apologize if there is any inconvenient occurs. For your information, we have 1100 pieces **Model No. 830661** (Expiry date 03 Feb 2012) in stock that likely be sold out with 50% off. Please make your order to gin.chang@aeonastron.net or fax to +31 71 3322281. Please be noted this special offered product is not returnable and not replaceable.

3. The following ologen[®] Models will remain in our list for your demands:

Model No.	Specification/ Dimension
830601	6 mm (D) × 2 mm (H)
830621	7.5 mm (D) × 2 mm (H)
862051	12 mm (D) × 1 mm (H)
870041	5 mm (W) × 10 mm (L) × 4 mm (H)
870051	10 mm (W) × 10 mm (L) × 2 mm (H)
870061	10 mm (W) × 10 mm (L) × 4 mm (H)
861051	12/20 mm (ID/OD) × 1 mm (H)

Best regards,

Michael H. Lai
